Welcome!

We're pleased that you have chosen a TerraTec speaker system and would like to congratulate you on this decision.

We're convinced that our HomeArena MX 2.1 system will provide you with a great deal of entertainment and reliable service in the coming years.

Your TerraTec Team

Unpacking the system:

After you have unpacked the system, please ensure that it is complete.

You should have the following items:

- 2 satellite speakers (3 m cable length)
- 1 subwoofer
- 2 wall mounts

- 1 audio connector cable, 3.5 mm jack/RCA (1.8m)
- 1 audio connector cable, 3.5 mm jack/3.5m jack (1.8m)
- 1 video game console adapter (3.5 mm female jack to female RCA)

- 1 printed Quick Start Guide (D, NL, F, GB, I, ES)
- 1 customer service card

Service

In case you encounter unexpected problems during the installation, our support team is available by phone from Monday to Friday between 1:00 pm to 8:00 pm, Central European Time.

For more information, please refer to the included customer service card.

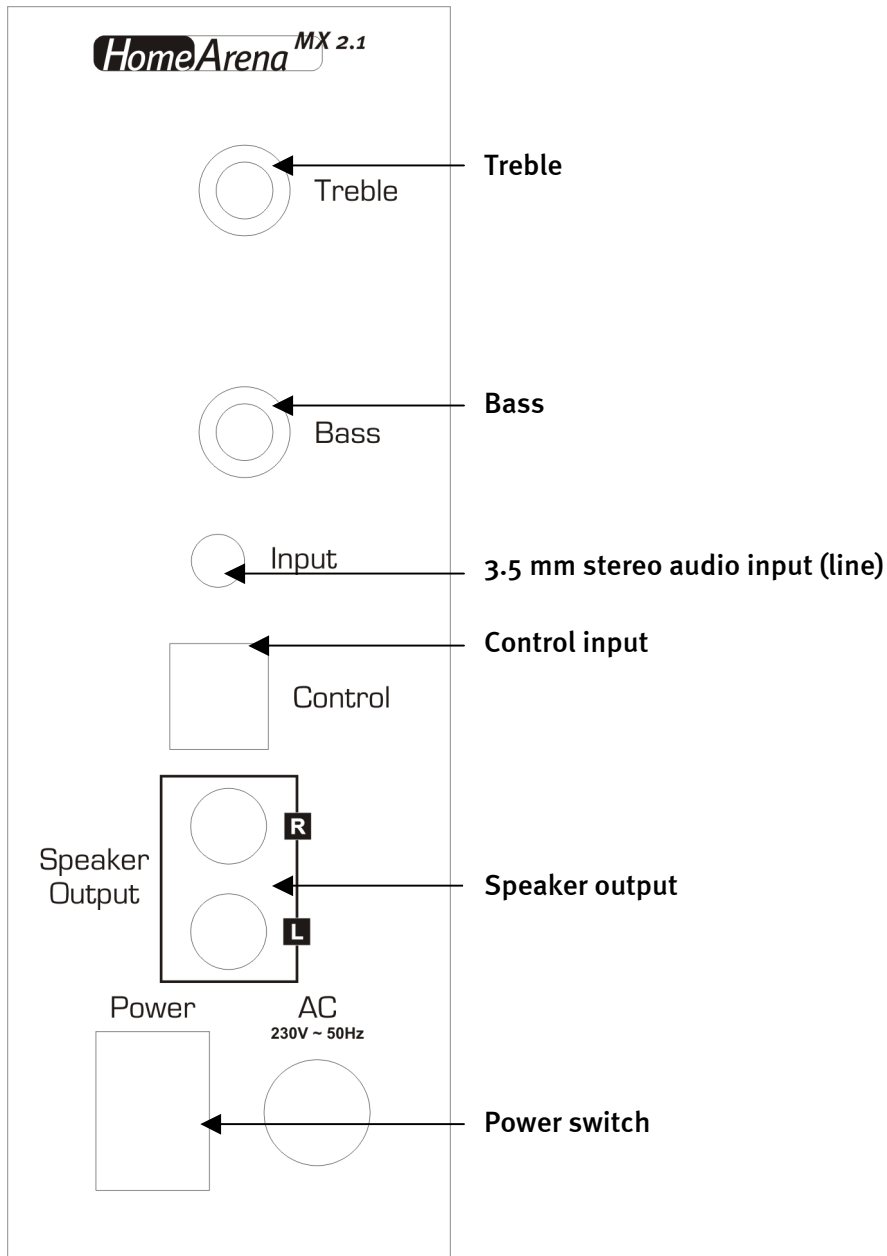

We would also be pleased to answer your questions online. For further information, please visit <http://www.terratec.net/support>.

Should it become necessary to return the product to our service department, please follow the detailed instructions on the customer service card. Thank you.

Design & operation:

Please ensure that the power is off when connecting any of the components. This will protect you from any possible - albeit weak - electrical shocks, as well as protecting your speakers and your hearing from sudden peaks.

Please refer to the diagram below for the connectors and controls of your HomeArena MX 2.1.

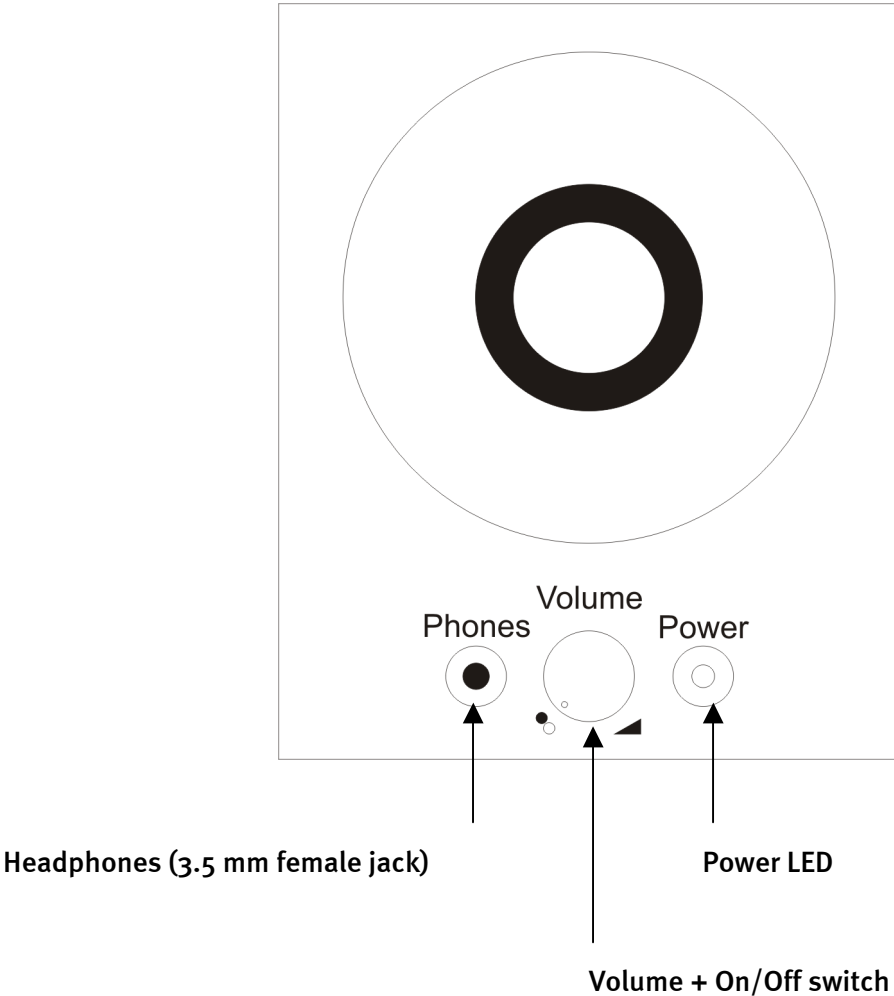

Please note that the speaker cables are color-coded.

Rot = right speaker with controls

White = left speaker

The speaker with controls:

Specifications:

Total output power: 22 watts RMS

Frequency response: 20 Hz – 20 KHz

Input impedance: 10 kOhm

Subwoofer:

- 1 x 4" (10.16 cm) subwoofer
- 12 watts RMS
- 4 ohms impedance
- Wooden bass reflex enclosure
- Integrated amplifier
- Stereo input (3.5 mm jack)
- Audio controls (bass and treble)
- Power cable (1.8 m)

Satellites

- 2 x 2.5" (6.35 cm) speakers
- 5 watts RMS each
- HIPS enclosures
- 4 ohms impedance
- Audio controls on one speaker
- Headphone socket, 3.5 mm jack
- Volume control and power switch

Dimensions

- Subwoofer (W/H/D) : 130 x 267 x 255 mm
- Satellites (W/H/D): 85 x 110 x 105 mm

Power supply:

- 230V/50Hz, integrated in subwoofer

System requirements

- PC with sound card or other audio source (MP3 player, DVD player, video game console) with line level output

Safety notes

1. Do not connect the subwoofer's outputs to an external amplifier
2. Do not open the housing, high voltages occur inside
3. Do not expose to direct sunlight, protect against rain or spray
4. Switch off and unplug the AC power supply of the HomeArena MX 2.1 if you are not going to use it for extended periods.
