

CINERGY S2Stick HD

The space-saving satellite tuner for digital TV on your notebook

DVB-S2 tuner for PC and notebook

- DVB-S & DVB-S2 USB stick TV and radio tuner
- Remote control
- Windows Media Center compatible

Experience digital SAT TV on your PC or notebook

Replace your large satellite box with a compact DVB-S tuner of the size of a USB stick. Whether at your weekend house, in a mobile home or on the road as lorry driver. Save space and use many additional features at the same time.

The CINERGY S2 Stick HD in pocket format allows you to watch satellite TV on the road.

All you need is a power outlet and a satellite connection. This SAT tuner in USB stick size is small, compact and easy to use. In just a few easy steps, your PC or notebook is transformed into a fully functional SAT TV. Insert the USB stick, connect the satellite cable, install the driver and enjoy the entire world of satellite TV.
